ACTION REQUIRED · RE

25X1A

1. [redacted] will be visiting [redacted] 25X1A
25X1A [redacted] sometime during the second week of February. His detailed itinerary will be cabled.

2. He is particularly interested in talking with those people in the Station who have direct knowledge and solid understanding of operations that require technical support. The purpose of his trip is to get your ideas on how best to spend research money, what problems to try to solve and what types of solutions you think might be operationally feasible. While no general review of equipment now available is contemplated, we have recommended to [redacted] that he also discuss with COS a specific [redacted] 25X1A
25X1C [redacted] which is now under development. 25X1C

3. We would like to encourage constructive comment by the Stations on the direction of the [redacted] R & D effort. We believe that it is essential for operations personnel to give whatever advice they can which may help improve our technical research program. In discussions with 25X1A
25X1A [redacted] we recommend that the Stations concentrate on suggestions which [redacted] 25X1C
